Bills: Motion to pay bills by Tony Flood, second by Vicki Jenkins; 6 yeas; motion passes.

Old Business:

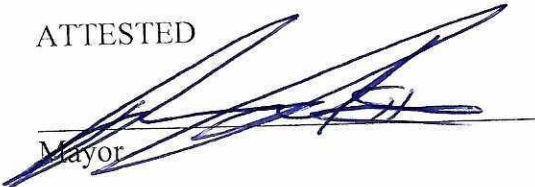

- Traffic light has been ordered. Should arrive in six to eight weeks.
- Mobile unit is wired into vehicle. Portable unit is used outside vehicle. When you get out of the car you have to turn portable on. There is interference with the mobile unit if portable unit is not turned off when returning to vehicle. Can't understand what is being said on mobile unit. Portable unit is good inside and outside car. The battery lasts 12 - 14 hours. Safety committee suggests keeping both means of communication.
- Christmas decorations have been taken down
